

# Tell the government why young people shouldn't be pushed into aged care.

We can help you tell your story to the Royal Commission into Aged Care.

#EveryStoryMatters

Are you younger than 65 years old and...

- live in a nursing home?
- are currently living in hospital or rehab?
- have lived in a nursing home at some stage in the past 5 years?
- at some time in the past 3 years, have been told that you might have to live in a nursing home, but didn't end up having to?

Or do you have a family member or someone you care about in one of these situations?

If so, you have an important story that the Royal Commission into Aged Care needs to hear.

## We can help you tell your story

We are holding half-day workshops in many places around Australia. At the workshops, we will help you work out what you want to say, and help you write it for the Royal Commission.

Workshops will be conducted in a one-to-one discussion format with places limited to 6 per workshop. At the end of the workshop, you will have finished a submission for the Royal Commission.

*If required, we will pay your travel and support costs. Refreshments will be provided.*
